VAN AMBURG OUTDONE.—The lion emperor, (as we suppose he must be called, to distinguish him from Van Amburg,) Mr. Carter, made his first appearance at Astley's on Monday evening, in a piece entitled "The Miracle or Afghan the Lion King." In the first act of this piece, Mr. Carter fought with a tiger. The beast of prey in the outset mastered the man, and dragged him from a platform down a flight of stairs; and after a contest for superiority for some time, the animal is mastered and is led off tame as a kitten. All this takes place on the open stage, without the restraint of a cage—the tiger has the same latitude as all his brother performers, uncontrolled. docilely drawing him in a chariot. The lion is a State had a population of one million five hunto manage itself rather than be managed.
